

NORD
FREERIDE

Terms and Conditions

Reservation & Payment

Most activities require pre-booking, and some activities require a minimum number of guests to run. Minimum of 7 riders per one Snowcat are needed per week in order for Nord Freeride to start operating, therefore we initially book accordingly through our booking system before we move on to the reservation stage

To confirm your reservation, a 25% non- refundable deposit is required on booking. To fully reserve your space, the final payment of the remaining 75% is required 60 days prior to commencement of your package. If booking less than 60 days prior to start of the ski package, full payment is due to confirm and secure the space. There is also a possibility to fully book the reservation by paying the full amount with the bank transfer (payable to Nord Freeride account), the full amount for 8 days or 4 Days package as described on the website

For full group bookings, we will accept either a group deposit & final payment, or an individual deposit and final payment from each group member.

All our rates are quoted in Euro and include all applicable levies and taxes. Payments are made by bank transfer, only payable to: Beneficiary 'Nord Freeride'.

Anyone with food concerns or a medical condition we should be made aware of, should let us know prior to their arrival.

Cancellation Policy

By booking and paying for your trip, you are accepting cancellation terms and policies as set out below:

All cancellations must be made by email, and it is affective only when this email is received at Nord Freeride office and when our office will have confirmed the email.

If you cancel your reservation and we are able to sell your spot to another person at full price then payment will be refunded to the guest once the seat has been filled and payment has been received.

If you are unable to come at the last minute due to injury, travel complications, inability to enter the country, etc... there will be no refunds or ski credits given. If cancellations are made 60 days prior (or less) to the start date of the package then there would be no refunds of the package.

Cancellation from Nord Freeride

If a tour is cancelled prior to the start (full 8 or 4 days package) from Nord Freeride due to extreme weather conditions, lack of snow, extreme avalanche risk, or safety reasons, Nord Freeride LLC will transfer your total deposit payment to any available date within 2 years of the affected ski dates and as mutually agreed upon by the guest or guests and Nord Freeride LLC. If the guests has already paid the full amount of the package price then, upon his request, Nord Freeride LLC will transfer 70% of the full amount back to the guest while 30% deposit will be transferred as mentioned above

If a tour is partially cancelled after the start of the tour, due to the Snowcat mechanical failure, we will issue a prorated credit equal to the cancelled days, however there would be no refund for the accomodation part (Lodge, food). The daily refund to the guest's for the Snowcat failure part would be 150 Eur.

There would be no refunds after the tour has started, also no refunds cause of the fog, however in such occurance we will try to Catski close to our lodge where there are some trees around, if not then we can find some spots close by to jump etc.

Please keep in mind that although the Sharr mountains are an excellent location, especially at Nord Freeride 90%+ runs are faced north side, for over 90% of the time we have good or excellent powder snow conditions, it is possible that conditions during your ski trip will disappoint you. Please accept the fact that we have no control over the weather and will not give refunds due to poor conditions. Unlike day operations, our policy is to ski every day and make a big effort to have fun – even if the conditions are not terrific. Guests must accept that “you win some, and you lose some” when it comes to weather.

Trip Insurance

We recommend purchasing trip insurance for guest-initiated trip cancellations or delays, and for sickness or injury. You will not receive a refund from Nord Freeride if you do not attend or complete your trip for these reasons. Guests should also carry adequate medical insurance to cover unforeseen costs in the event of injury

Required Level of Skill

Guests should have a good fitness level and an intermediate or advanced ability to powder ski or board. Beginner level groups are also included. If you are not confident that your skiing & snowboarding ability or your fitness is at the required level, please let us know in advance before booking your trip. If you are unable to keep up with your snowcat group, your guide may ask that you sit out for one or multiple runs. Guests will not be reimbursed for any missed time that arises due to a lack of basic fitness or powder skiing ability.

A snowcat can only move as fast as the slowest participant in the group. While our booking team always attempts to put skiers of like ability together when booking participants into a mixed snowcat, the only way to guarantee the speed and ability of your group is to book the entire snowcat with like minded friends.

Safety

On the the first day of your trip the guide will spend some time with talking about safety & BCA package. It will also be an opportunity to familiarize yourself with your transceiver.

Avalanche Air Bag Guest Packs & Radios

Each guest at Nord Freeride will be provided with an BCA Air Bag Showel and a transceiver.

Liability

All guests must read, understand, and sign the Nord Freeride Catskiing participant waiver (sent over by email) together with a final booking, note that you cannot participate on our tour without Waiver signature.

Nord Freeride reserves the right to require a guest to sit out from skiing/snowboarding for one or multiple runs if they deem that the guest's ability or fitness does not meet the basic required level and/or poses a safety risk to themselves or the snowcat group.

Nord Freeride reserves the right to terminate a guest's stay without refund should the behaviour of a guest compromise the general safety of staff or other lodge guests, and/or constitute sexual harassment of a staff member or lodge guest.

Waiver (A must sign Document)

Prior to your trip you will be asked to accept these risks in writing by signing the "Release of Liability, Waiver of Claims, Assumption of Risks and Indemnity Agreement". A properly and fully completed waiver is required from each guest prior to your trip.
